PRESIDENT: All those in favor say aye, opposed no. The motion carried. The amendment is adopted.

CLERK: I have nothing further on the bill, Mr. President.

PRESIDENT: Senator Rod Johnson. A proper motion would be for the advancement of the bill as amended.

SENATOR R. JOHNSON: I move LB 144 as amended to E & R for engrossing.

PRESIDENT: All those in favor say aye, opposed no. The motion carried. The bill is advanced.

CLERK: Mr. President, with respect to LB 155, Senator DeCamp would request consent to pass over the bill.

PRESIDENT: The Chair recognizes Senator DeCamp.

SENATOR DeCAMP: Mr. President, this of course is the lemon bill and I would like maybe it to set an example, maybe something we could follow on some of the other bills. There are some people with some proposals on it, some pretty major amendments. I think most of them are good and most of them I think can be agreed upon in a compromise. Rather than rove ahead and get bogged down like we did in this last one I would say that let's pass over it. I will get the various people together. We will print everything in the Journal in advance and try to reach agreement or whatever so we don't spin our wheels
